Quotation

Custom Business Management Software

Prepared For : Viral Print Media

Date : 21-07-2026

Quotation Summary

Particular	Details
Project Name	Viral Print Media Business Management Software
Development Cost	₹25,000/-
Timeline	1 Month
Deployment	Offline (LAN Based)
Platform	Windows Desktop (LAN Connected)
Number of Users	Multiple Users (LAN Based)

Project Scope

The software will be a LAN-based offline business management system designed specifically for Viral Print Media. Multiple users can access the software over the client's internal network without requiring an internet connection.

The system will support multiple companies, allowing users to manage separate company data within a single software installation.

Modules Included

1. Dashboard

A centralized dashboard providing a complete overview of the business.

Features

- Today's Sales
 - Total Sales
 - Outstanding Amount
 - Pending Payments
 - Recent Invoices
 - Today's Tasks
 - Purchase Summary
-

2. Customer Management

Manage complete customer information.

Features

- Add Customer
 - Edit Customer
 - Delete Customer
 - Customer Name
 - Contact Number
 - Email Address

 - Send Invoice via WhatsApp
 - PDF Invoice Generation
-

11. User Management

LAN-based multi-user access.

Features

- Multiple Users
 - User Login
 - Role-based Access
 - User Permissions
 - Activity Management
-

System Architecture

- Offline Desktop Software
 - LAN-Based Connectivity
 - Multi-User Access
 - Shared Central Database
 - No Internet Required for Daily Operations
 - Fast Local Network Performance
-

Deliverables

- Complete Software Installation
 - Database Setup
 - LAN Configuration
 - Multi-User Configuration
 - User Training
-

Project Timeline

Activity	Duration
Requirement Confirmation	2 Days
Development	20 Days
Testing & Bug Fixing	5 Days
Installation & Training	3 Days

Total Timeline: **1 Month**

Commercials

Description	Amount
Custom Software Development	₹25,000/-

Total Project Cost: **₹ 25,000/-**
